

# Camper Code Of Conduct

## Code of Conduct Guidelines

The World Class Taekwondo Digital Learning Camp staff is looking forward to providing your child with an educational, safe, and fun experience. Each camper has a responsibility to act in a way that ensures a positive experience for all. All campers are required to follow these guidelines.

### Behavior Guidelines:

- Campers shall be responsible for their words and actions.
- Campers shall be respectful of others.
- Campers shall follow directions from staff members.
- Campers shall wear their mask at all times, except during specific mask break times.
- Campers shall wash hands and hand sanitize as directed by staff.
- Campers shall practice social distancing at all times.

### Prohibited Behaviors:

- Endangering the health and safety of themselves, other campers, and/or staff.
- Continual disruption of the camp.
- Refusal to follow the behavioral guidelines.
- Inappropriate physical contact.
- Using profanity or inappropriate language.
- Bullying or acts of aggression or violence.

### Steps taken for failure to follow these behavioral guidelines:

- Staff will redirect camper to a more appropriate behavior.
- The camper will be reminded of the behavior guidelines.
- If the behavior persists, staff will discuss the problem with a parent/guardian.
- If the behavior persists, the camper may be required to be picked up early and removed from camp for the day.
- Failure to comply with the Code of Conduct may result in removal from the program

### Electronic Devices:

- Despite the best efforts of staff, it is impossible to completely prevent access to content or material that may be considered inappropriate for campers. World Class Taekwondo and its staff are not responsible for inappropriate content or material accessed via a camper's personal electronic devices.
- Parents shall establish boundaries and standards for the appropriate and acceptable use of technology and communicate these boundaries and standards to their children.
- We suggest that parents look into parental control settings or software for their child's devices
