

Daily Procedures

How will camper drop-off and pick-up be done?

To keep the volume of people in our facility to a minimum, we ask that parents only enter the facility briefly for drop off or pick up. Our staff will communicate with families daily through the use of the REMIND app and during curbside check in and check out.

Will other people be allowed into the facility while my child is in camp?

From 7:30 am to 3PM the campers and staff will be the only people in our facility (with the exception of the adult students attending our noon adult class offered 2 x per week) After 3pm, students in our evening Taekwondo classes will be attending classes on our main classroom floor. At that time, campers will utilize our second classroom and multi purpose room. All Taekwondo students are subject to the same health screening process and safety protocols as campers.

Who will be watching over my child and assisting campers with digital learning each day?

Our camp staff will consist of a combination of our World Class instructors as well as staff with education and/or childcare experience. More specific information on the staff for each location will be available prior to the start of camp.

What will my child need to bring with them to camp each day?

Campers should bring two snacks and a lunch packed in an insulated lunch bag with an ice pack, and a water bottle. They should also bring their Taekwondo uniform and belt. Each child will be provided with their own personal bin in which to keep their individual school supplies and back pack.

Suggested specific school supplies will likely include but are not limited to:

- Reading rug
- Pencil case/Pens/Pencils/Colored pencils/Crayons
- Scissors
- Glue stick/Glue
- Books to read
- Electronic device and charger
- Bottle of personal hand sanitizer
- 2 clean face masks daily
- Any other school supplies required to complete work

Will the Taekwondo training offered during the camp hours be sufficient for my child to advance to their next belt rank?

Any training done between 9:00- 3:00 will be skills and drills training only for the purpose of providing physical activity. In order to learn and practice curriculum, Taekwondo students should continue to attend their regularly scheduled afternoon and evening classes.

Does my child need to be a martial arts student to participate in the digital learning camp?

No, any child is welcome to participate and no prior martial arts experience is needed! However if a non student camper would like to participate in afternoon or evening classes, they will need to join our Taekwondo school.

Will the camp be broadcast on Zoom or any other online form?

At this time we are not planning to broadcast the camp online.

How will camp staff communicate with families? How can parents connect with camp staff?

We will communicate with camp families through email and the REMIND app. Staff will have a camp cell phone with them. More info on the REMIND app and the cell number for your camp staff will be provided prior to camp.
